“Kindness really does start with one—one person, one act, one place, one city, one county, and one movement with one goal in mind: To make our world a kinder place one act at a time. And, every single one of us can play a part in this mission.” -RAK Foundation

You, your friends, or your family can bring a little cheer to someone’s day! Ideas are everywhere, but here are a few ideas to begin with:

- Offer to put someone’s shopping cart away in a parking lot
- Donate non-perishable goods to the local food pantry
- Compliment a local business
- Bake cookies or make a dinner for a neighbor
- Volunteer to read a book at a local school
- Donate craft supplies to an assisted living facility, childcare center, or church
- Make cheerful cards for patients at a local hospital
- Thank someone in the military for their service
- Pay ahead for another person’s coffee or dessert

“Kindness is like a pot of gold at the end of the rainbow.”
