Match Day

The Sherman County Community Foundation has announced plans for its third annual "Match Day" event on November 27th 2018. Individuals or businesses are invited to make their charitable contributions at the Goodland Public Library from 7am—7pm. Donors may specify the dollar amount and the organization they wish to support. "Match money" will be used to match contributions.

Last year over 450 local residents made donations on Match Day totaling \$78,977.18. SCCF then "matched" these gifts on a pro-rated basis of over \$40,000. Combined donor gifts and Community Foundation funds resulted in a Match Day total of \$123,977.18 in 2017. Eligible 501c(3) organizations will benefit from Match Day. A list of eligible organizations will be available at the Goodland Public Library on that day.

November will also be "Match Month" in terms of donations made directly to the SCCF. Donations made to the SCCF will be matched on a dollar-for-dollar basis by the Dane G. Hansen Foundation up to \$50,000. Sherman County donors gave an additional \$61,000 through Match Month, which qualified SCCF for a Hansen Foundation award of \$50,000. For achieving its Match Month target of \$50,000, the Hansen Foundation also gave the local Community Foundation an additional \$25,000 for its endowment fund.

SCCF wishes to express its sincere appreciation to all those who took part in Match Day 2017. It is hoped local residents will again financially support this unique program on behalf of community non-profits and the Foundation's on-going efforts to develop new programs and services in Sherman County.
