Match Day

The Sherman County Community Foundation (SCCF) has announced plans for its 5th annual “Match Day” event on Tuesday, Dec. 1st of this year. Individuals or businesses are invited to donate and take part in this event. Donors may specify the dollar amount and the non-profit organization they wish to support at the Goodland Public Library from 7am—7pm. Eligible local organizations must be a non-profit 501c3 entity or have educational, religious, or governmental tax status. A list of eligible organizations will be available at the Goodland Public Library on that day.

At the conclusion of Match Day, total donations are calculated by the Foundation board. The SCCF will then determine their “match” on a pro-rated basis for each eligible organization. Match Day checks will be presented at a later date to each group. Last year, county residents made donations on Match Day totaling \$108,286.49 on behalf of 31 non-profits in Sherman County. The Community Foundation provided a pro-rated match in 2019 of \$40,000. Thus, there was a total of \$148,286.49 provided to these groups at the final distribution in January of this year. In addition, local residents gave just over \$67,000 to the local foundation’s Endowment Fund in 2019, which earned SCCF an additional \$75,000 from the Dane G. Hansen Foundation of Logan, KS.

December will be “Sherman County Shares” month, which will replace “Match Month” as in previous years. All funds given directly to the SCCF Endowment in December will again provide for a dollar-for-dollar match up to \$50,000 from the Hansen Foundation and a \$25,000 bonus if at least \$50,000 is donated to the SCCF Endowment Fund.

The Sherman County Community Foundation board consists of: Jeff Bhend, Megan Thomas, Melanie Daise, Ron Schilling, Dale Schields, Kris Yost, Jeff Deeds, Jessica Cole & Cora House. SCCF wishes to extend its sincere appreciation to the people of Sherman County for their support in 2019, and hopes residents will again donate to this unique program to benefit non-profits and the foundation’s efforts to develop new programs and services locally.
